HAKKIMIZDA

Türkay Plastik, 1968 yılında iş dünyasına Nazım Türkay tarafından küçük bir işletme olarak katılmıştır. Türkay Plastik, geniş ufku, yaratıcılığı ve ürettiği ürünlerin kalitesi sayesinde alanında kendisini kanıtlamıştır.

O yıllarda Avrupa'da üretilen ayakkabı makinalarının Türkiye'de ilk defa Nazım Türkay tarafından yapılması, bunun devamında ithal olarak gelen polietilen levha ve çubukların üretimine başlaması bu ürünlerin teknik mühendislik plastikleri ve endüstriyel mutfak ekipmanları alanında kullanılması Türkay Plastik'in iş dünyasında ilerlemesini sağlamıştır.

Günümüzde plastik, hızla ahşap ve metal vb malzemelerin yerini almaktadır. Bu değerlerin değişmesi, pazarların globalleşmesi, yeni teknolojilerdeki hızlı değişme ve gelişme bizleri yeni ürünler üretmeye teşvik etmektedir. Çünkü plastik her alanda daha kaliteli, kullanışlı, uzun ömürlü, sağlıklı ve aynı zamanda çevre dostudur.

Türkay Plastik'in tüm bu gelişmelerin temelindeki anlayış, uluslararası düzeyde mal ve hizmet üretmek, tüketiciyi memnun etmek ve her geçen gün kendini yenilemektedir. Türkay Plastik, ürünlerinin kalitesini, işletme başarısının temel unsuru olarak kabul etmiştir.

Müşterilerine her zaman taahhüt ettiği şartlarda, kaliteli ürünü üretip, teslim etmeyi ilke edinmiştir.

Türkay Plastik, müşterilerine daha iyi hizmet sunabilmek için açık alanı 32.000 m² den 42.000 m² ye, kapalı alanını 10.000 m² den 20.000 m² ye genişleterek yeni ürünler üretmeye devam etmektedir.

Türkay Plastik, hammadde alımından imalatına, imalatından müşteriye teslimine kadar olan tüm aşamalarda kalite, sistem ve müşteri memnuniyetinin üst düzeyde tutulması konusunda son derece hassas davranmaktadır. Bu sebeple ISO 9001:2015 Yönetim Sistemlerinin şartlarının etkin olarak uygulanmasını ve AR-GE çalışmalarının geliştirilmesi, kalite politikasının temelini teşkil etmektedir.

1 Haziran 2014'te kurucu Nazım Türkay'ı kaybeden Türkay Plastik ailesi artık Ahmet Türkay liderliğinde kurulduğu günden bu yana değişmeyen ilkelerine sıkı sıkıya bağlıdır. Dürüstlük, kalite ve sektörde liderlik sorumluluklarının bilincinde olarak bugünler ve yarınlar için çalışmaktadır.

ABOUT US

Türkey Plastik joined business life in 1968 by Mr. Nazım Türkey as a small entrepreneurship company. Those days, Türkey was the first company who produced shoe machines in Turkey by Mr Nazım Türkey. Then he started to produce polyethylene sheets, boards and rods which are normally import goods for Turkey. As these materials were used in technical engineering plastics and industrial kitchen equipments areas made Türkey Plastik progressed in its sectors. Türkey also proved itself in its own sector with its creativeness, wide horizons and product quality.

Nowadays, plastic products have already been getting the place of wooden and metal ones. That kind of changes in terms of values in human life, globalisation, fast technological changes and improvements directing Türkey to manufacture new products. Because, the plastic is more quality, more useful, more healthy with longer life in almost all areas besides its environment friendly characteristics.

Türkey's mission is to produce worldwide quality products and to supply service with high level of customer satisfaction by making necessary innovations. Türkey accepted its product quality as basic principle of company's success by delivering the goods which is promised to be having high quality on time.

Türkey Plastik has been continuing to manufacture new products by enlarging its open area from 32000 m2 to 42000 m2 and closed area 10000 m2 to 20000 m2 in order to give better service to its customers.

Türkey is also very sensitive at all stages from raw material purchase to final production, from production to delivery of the goods in terms of keeping high level of quality, system and customer satisfaction. That's why, effectively implementation of ISO 9001:2015 and R&D studies have been forming its quality policy.

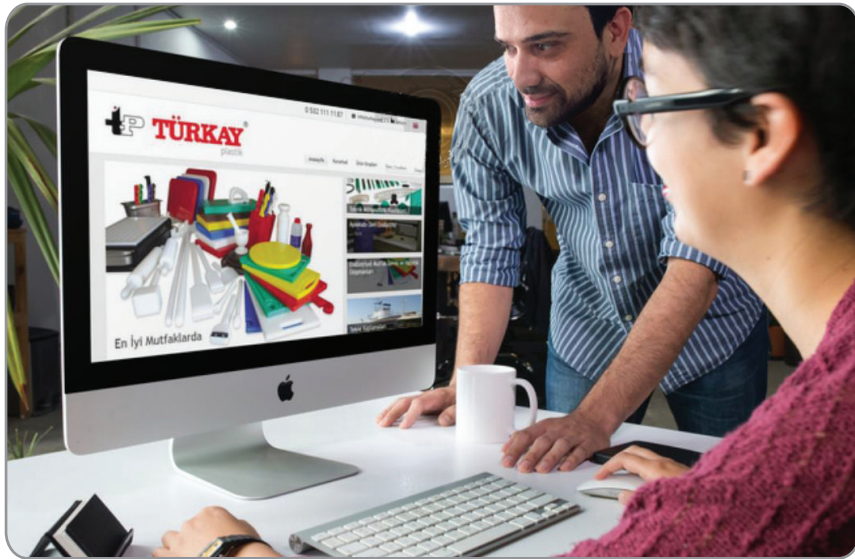

After passing away of Mr Nazım Türkey at first of june, 2014, Türkey family has been managed by leadership of Mr Ahmet Türkey with the same unchangeable principles from starting. Türkey has been working under responsibility of a leader company in its sector with its trustability & quality for today and the future.
